Ages

For all the Club Championships events the age will be that as at the 31st of December in the year of the competition.

Trophies, Age Groups & Strokes

The trophies, age groups, strokes & distances for the championships will be as follows;

Overall Champions Awards for Junior, Intermediate and Senior Trophies:

The method for deciding the overall champions will be a simple six points for a win - five for second - four for third - three for fourth - two for fifth & one point for sixth place in each event, added together so that the swimmer gaining most points becomes the overall champion. This formula will be used irrespective of the number of entrants in any of the events.

In the event of swimmers finishing with equal points the following will be used to decide the winner, in this order:

1. The number of first places gained in the championship events, if this doesn't resolve the winner, then the number of second places, third places etc.
2. Then the number of Club Championship records broken in championship events,
3. Then the number of Club Championship records broken in the Open distance events
4. Then the number of Club records broken in the year (Jan – Dec)
5. If this method still does not find a winner, then the Perpetual Trophy for that age group will be held for equal months by all the swimmers involved.

Perpetual Trophies

All perpetual trophies are the property of Belper Marlin Swimming Club and must be returned immediately to the Trophy Steward of the Club should the swimmer leave the Club for any reason whatsoever. No perpetual trophies shall be taken away from the Club without signing the Trophy declaration book held by the Trophy Steward of the Club. All perpetual trophies shall be returned to the trophy steward at least two weeks prior to the Club Championships.
